

platters | summer 2020 menu

Potliquor uses the best ingredients we can get our hands on: pastured, organic, and free-raised meat; and vegetables and grains grown with sustainable practices, from the worker to the table. We love to use what is in season near where we live and cook, so this list changes frequently, and we may make small changes to include what is best in the moment. Please ask us about any ingredient you'd like to know more about. We are happy to assist in creating your menu, if you'd like: you can call us at (510) 982-6672 anytime during business hours. *For any menu element, you can have us package individual portions for 50c per cello bag or open boat, or \$1/person per closed box. We use compostable packaging. If you'd like us to put together custom appetizer kits or composed meal boxes, we'll be glad to make a proposal for you; just ask.*
